Special needs individuals age 18 and up are all welcome. Parents, caregivers, and/or chaperones of all attendees are encouraged to attend but must purchase a ticket.

Please be aware that we provide very minimal supervision at this activity. We will oversee the various areas, but will not have the resources to keep track of wanderers or assist with personal needs. It is your responsibility to either attend or provide a chaperone and purchase a ticket for yourself or the chaperone at \$5 each.
